"Transforming Young Learners to World Class Leaders"

Director's Message

DIVANA A R
DIRECTOR

As we complete our second month at Kaizen, our little learners continue to blossom with joy and curiosity. It's been a delight to watch them grow more confident and connected each day. We are deeply grateful to our parents for your continued support. Together, as one Kaizen family, we look forward to many more moments of learning and laughter.

Warm regards,
Divana A R

Principal's Message

BISMINA S
PRINCIPAL

As July wraps up, we are filled with joy seeing our little learners thrive. This month brought deeper friendships, curious questions, and playful discoveries. From creative activities to shared smiles, every day has been a step forward.

Thank you to our wonderful parents for your continued support. Together, we're building a joyful path of learning and growth.

Warmly,
Bismina S

Monthly Highlights - July

June was a joyful month at our campus, filled with fun activities and meaningful learning for our little ones.

Active Thursdays

Every Thursday, children participated in Physical Education training, enjoying fun exercises and movement games to build strength, coordination, and healthy habits.

Star of the Week

Each week, one student was proudly recognized as the Star of the Week, based on healthy and positive habits like bringing sugar-free food, drinking enough water, maintaining neat notebooks, regular attendance, and enthusiastic participation in class activities.

Friday Kids Day

Our Friday Kids Day celebrations were full of fun and creativity. This month's themes included:

A Vibrant Kerala: Land of Festivals & Mango Fiesta!

Special Days Celebrated – July

We also celebrated important days throughout the month with simple, joyful, and age-appropriate activities.

National Doctor's Day – July 1st

Our curious kids were introduced to the **Rod of Asclepius**, a magical staff with a coiled snake, symbolizing healing and care. Through a lively storytelling session, children discovered how this ancient symbol connects to the kind hearts of our doctors.

Eyes lit up, questions flowed, and little minds left with a new respect for the real-life heroes who help us feel better every day!

World Chocolate Day – July 7th

Why Kaizen is a No Sugar Campus ?

At Kaizen, we believe sweetness comes from smiles, not sugar! As a No Sugar Campus, we promote healthy habits from the start, protecting teeth, boosting natural energy, and supporting focus. With fun chats and gentle reminders, our kids are learning to make smart, healthy choices every day!

"Every child is gifted. They just unwrap their packages at different times."

Exam time for our Busy Bees

World Population Day – July 11th

To celebrate World Population Day, our little stars painted a world full of love. With tiny fingers and big hearts, they created colorful Family Trees, each print representing someone they hold dear. Through this fun, hands-on activity, our tots discovered that every family is unique and together, we're one big global family!

World Youth Skills Day – July 15th

On World Youth Skills Day, our tiny tots at Kaizen explored their growing abilities through a day full of fun and focus. From cutting, sorting, and buttoning to puzzle time and block-building, each activity was designed to boost fine motor skills, problem-solving, and confidence. With every snip and snap, our little learners showed that great skills can start with small hands and lots of joyful practice!

Emoji Day – July 17th

Kaizen lit up with giggles and grins as our little ones celebrated Emoji Day. Children explored emotions through a lively Photo Booth and activity with emoji props. From happy to surprised, it was a day full of feelings, fun, and fabulous photos helping our children understand emotions in the most joyful way!

Moon Day – July 20th

Our curious kids went on a pretend "Trip to the Moon" during story time. With wide eyes and wondering hearts, children listened to tales of rockets, stars, and moon landings. The storytelling sparked imaginations and inspired dreams because even the smallest learners can reach for the stars.

Mango Day - July 22nd

Mango Day at Kaizen was a fruity fiesta! Our little ones explored the king of fruits through a cheerful Mango Tasting Station, where they got to smell, touch, and taste different varieties of mangoes. Children described flavors like “yummy” and “sweet” turning the day into a delicious discovery of textures, colors, and smiles!

Kargil Vijay Diwas - July 26th

To mark Kargil Vijay Diwas, our little learners paid tribute to our nation's heroes through art. With pride and love, children created colorful drawings of the Indian flag, learning the values of courage, peace, and unity in a gentle and meaningful way. It was a simple yet heartfelt salute to the brave souls who protect our motherland.

**BORN TO SHINE -
JUNE KIDS**

At Kaizen, birthdays are all about joyful memories and healthy choices!

Happy Birthday
MUHAMMED IZAAN
